Don, Carlos, Cathy and Charles:

Here is what is past due in Cerclis as of 10/3/2011 (which was my pull date). I pulled all Active Sites in Cerclis. If you have any questions, please let me know. If you need me to pull it for another effective date, I can do that also. I am also including the GPRA Measure Consistency Report for you to look at when you can. This report shows inconsistencies, errors or advisories for all GPRA Measures.
